AGES 16 & OLDER

* **PART TIME INSTRUCTORS**

AGES 16 & OLDER

Candidates under 18 must have parental signatures and work permits.

BENEFITS

Completion of the course does not guarantee you a position. If you are offered a position in the Learning Center, you will enjoy the following benefits:

- * **FREE**- skiing and snowboarding for you and deeply discounted season passes for your immediate family.
- * **TRAINING** - a complete schedule of clinics on teaching, personal skiing and riding and PSIA/ AASI certification are available throughout the season. You will be required to attend a certain number of clinics and are encouraged to attend as many as you like.
- * You will improve your personal skiing and riding.
- * You will have the opportunity to become part of the professional team of instructors at Roundtop Snow Sports Learning Center.
- * **PAY** - you'll be paid an hourly rate for time you are actually teaching lessons plus a number of bonus programs.

Is
this
for
me?

The Roundtop Mountain Instructor Training Course is designed for skiers or snowboarders who have an outgoing personality and who are interested in introducing new skiers and riders to the sport. You don't have to be an expert skier or rider. If you can ski or ride down most intermediate slopes, like Minuteman, making controlled, linked turns, we'll help you progress.
