Ropes Course testimonials

Thank you very much for a GREAT day on Oct. 4. I have no suggestions as I think you guys did a great job and was very pleased with the interaction with my students and my staff. We will be back! THANK YOU!

**Earl, Raider Academy

We had an AWESOME time! John was our leader and was really awesome with all of the students we brought. I definitely be bringing other students from campus to the course and spreading the word about it to others on campus.

**Elizabeth, Franklin and Marshall Student Engagement and Leadership

Honestly, our day was flawless! You are such excellent guides for the students, you make your point well and teach them to draw on their strengths, you keep them safe! We had a wonderful day and I heard many positive comments from parents and students.

Good morning...just needed to send you a quick e-mail to tell you what a great time we had at our Team Building Day at Roundtop yesterday. The owner was really impressed with how much education there was along with having the fun!

**Cathy, J.C. BAR Properties

Big thanks to Dave, the staff and you for making this an experience that we would like to repeat!

**Stacy, York Suburban School District

All three of the staff members (Dave, Kara and Scott, I believe) from Roundtop who helped us on the Ropes Course were nothing short of top notch. They were patient, encouraging, and enthusiastic from the beginning to the very end of our adventure. All three seemed to genuinely enjoy their part in the activities, which made us all the more comfortable. The team building activities we did with Dave were equally entertaining and effective, and definitely got us thinking more as a unit. We will look forward to another outing with you in the future!

**Stacy, Hartman Oral Surgery

Dave and his guys were GREAT! The team really enjoyed both the high course and the low course. We were challenged and tired at the end. A great day overall. I have already shared our feedback with Joe and the Executive Committee members to keep in mind for an all manager or perhaps other departmental team building opportunities.

**Brenda, Harrisburg Hilton

Big thanks to Dave, the staff and you for making this an experience that we would like to repeat! It was a great experience for the class and I know they got a lot out of the time on the ropes course. Thanks so much for all you and your team do to help our organization succeed.
